

**Using “7-Zip”

1.- Extract the content of the zip file

2.- Left click on the .img file and then > 7-Zip > Open Archive

3.- Left click on the file “3.fat” Then > Open

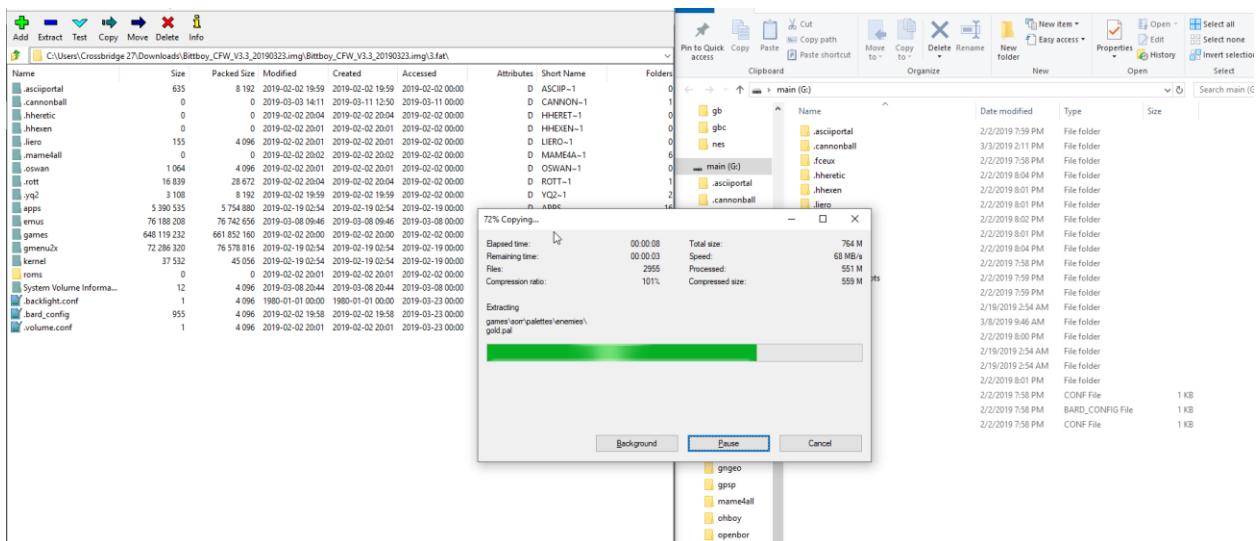

4.- Select all the files (Except the “roms” folder)

The system will ask if you want to replace, select yes for all.

Close windows then insert SD on your bittboy.

Alexai.
